

8th Aug 2022,

Brief on Webinar

❖ During the meeting through VC on 12th Mar 2022 with various DPSUs, Hon. Defence Secretary has directed all the DPSUs to extensively reach out to the potential vendors by way of conducting Webinars/Seminars/Physical meetings for wider participation from the vendors to achieve self-reliance through indigenization.

❖ In line with the GoI's vision and further directives of CEO (AC), Avionics division, Hyderabad has conducted a webinar on "Opportunities for achieving self-reliance under Atmanirbhar Bharat Abhiyan" on 4th Aug 2022.

❖ The webinar was conducted including all the 4 divisions of Accessories complex, i.e., Transport Aircraft Division-Kanpur, Accessories Division-Lucknow & Avionics division, Korwa with Avionics division-Hyderabad as the nodal division.

❖ The co-located R&D centre SLRDC, RCMA & ORDAQA have also joined the webinar.

❖ The webinar was attended by 90+ vendors against our invitation to approx. 120 vendors.

❖ The webinar was commenced at 15:00 Hrs with the welcome note by CM(Prog. Mgmt-Indg.) and subsequently the session was inaugurated and addressed by Shri. Arun J Sarkate, GM(Hyd).

❖ Further, the session was addressed by the dignitaries Shri. Apurba Roy, ED (Korwa), Shri. Suneel Kumar Srivastava, GM (Lucknow), Shri. P Mazumder, CD (SLRDC), Shri. Waghmare, COP (Kanpur), Shri. Anil Singh, AGM (Kanpur), Shri. Ravindranathan, Off. RD (RCMA) & Shri. Heemanth Kumar, RD (ORDAQA).

❖ All the 4 Indigenization & Liaison cells of the complex have presented the product range of the respective division which they are looking for indigenization through vendor participation.

❖ At the end of presentations, an interactive session was conducted with the participating vendors where in the industry partners have interacted with the respective divisional nodal officers of Indigenization & Liaison cell.

❖ Vendors have appreciated the efforts put up by HAL in providing the opportunities to the industry partners to partner with HAL. Some of the existing vendors have expressed their pleasure the way HAL supports and handholds them.

❖ The session concluded at 17:30 Hrs with vote of thanks to all the dignitaries and industry partners.

❖ Some of the screenshots of the webinar are enclosed herewith.
