**Sub: Enrollment of Industrial Health Centres as Network Hospitals under
HAL Post Superannuation Group Health Insurance Schemes (PSGHIS)
-oOo-**

Post Superannuation Group Health Insurance Schemes (PSGHIS) have been implemented in the Company i.r.o. retired employees & their spouses. As part of the Schemes, there are 6000 plus Network Hospitals across the Country where retired employee and their spouse can avail treatment.

2. In this connection, requests have been received from the retired employees / their Associations to allow the beneficiaries to avail medical treatment limited to consultation in HAL Industrial Health Centres (IHCs). The request was in consideration of the fact that many employees develop trust with HAL Doctors over a period of time & HAL Doctors may appreciate their medical condition better than the Doctors outside HAL.

3. In this backdrop, it is decided that IHCs at Bengaluru, Nashik & Koraput will extend OPD Consultation to the eligible ex-Employees under the PSGHIS as per CGHS Rates on fortnightly basis, as mentioned below:

Name of the IHC	Days for OPD Consultation i.r.o. ex-Employees under the PSGHIS
IHC, BC	Second & Fourth Thursday of every Month
IHC, Nasik	Second & Fourth Tuesday (Morning) of every Month
IHC, Koraput	First & Third Thursday of every Month

4. The expenses towards OPD Consultation will be borne by the retired employees and the said expenses can be met by them under the PSGHIS. Insurance Company will be intimated to this effect. No In-patient treatment will be provided.

5. Divisions / Offices are requested to bring the contents of this Circular to the notice of all the existing beneficiaries under the PSGHIS; and take necessary action.
