43	24W11-1009	29.01.2025	VR APPLICATION FOR AERO ENGINE	Indian Institute of Technology-Madras	Virtual reality is a new technology which is proposed to provide immersive training to new employees in assembly and disassembly of RD-33, Ser.3 engine. It will also enable intuitive view of internal system for deep understanding of engine. Effectiveness of end product will depend on the skill set and experience of software developers and selection of associated hardware. As IIT Madras has already successfully developed similar solution for Dornier aircraft at HAL Kanpur, it is proposed to go to the same source for development of VR solution for RD-33, Ser.3 engine. Also, HAL has a chair at IIT Madras, hence follow up and execution of project will be smoother.	RD-33 MANUFACTURING PROJECT

139	Work Order No HMA-NC/MAINT/R-O/WO/2024	07-01-2025	Suppl, Installation and Fixing of False Ceiling in A - Wing Ground Floor Corridor of Hostel Block	M/s Ganga Constructions	False ceiling was provided by FMD as part of the New Campus project. This false ceiling broke and fell down. Broken false ceiling has been removed A-Wing Ground Floor has VIP suites which is allotted to VIPs. HMA HR has informed that the current condition of the ceiling is not acceptable and from January last week onwards high profile VIPs will be allotted these rooms. In view of this, HR has proposed to re-install new false ceilings in the damaged area. As the requirement is urgent, all Bangalore based divisions were contacted to share the details of the ongoing similar works. Aircraft Division has informed that they have recently placed a contract on M/s Ganga Constructions for the supply and installation of False Ceiling, and provided LoA, BoQ and CST for the work .The requirement is very urgent considering the upcoming Aero Show. Also, as informed by HMA HR, from January last week onwards senior level HAL officers will be issued VIP Suites in the Hostel. The current condition of the corridor ceiling is not aesthetically good for the stay of the VIPs and hence, the false ciling needs to be fixed at the earliest. Regular tendering and award of the work will take time and the required work is to be executed with great speed in recorded time. In view of this, it is proposed to award the work on nomination basis to M/s Ganga Constructions who has been awarded the similar work by Aircraft division through competitive tendering.	Maintenance
