These are developed considering the fact that all the practice trials of missiles cannot be carried out on real targets. These targets accurately simulate the frontal aspects of T-72 tanks. Using this target all the seeker functionality will be checked before firing. HAL requested DRDL, Jodhpur to provide the specification details and source of procurement of the Targets during the meeting held on 02.06.2023 at HAL. DRDL, Jodhpur has nominated M/s. Aero tech Plasma Thermal Spray, Jodhpur as the production agency in this regard.	ALH WSI PH-II

115	30541460	13-11-2025	Control Panels for Simulator	HALBIT AVIONICS PVT LTD.	For the purpose of training the pilots in Flight Simulators, the cockpit is required to be equipped with physical and functional replica of Actual Aircraft Control Panels. HTT-40 Aircraft is equipped with various control panels viz. INCOM Control Panel, IFF Control Panel, VOR/ILS Control Panel, Audio Management Unit (AMU) and Oxygen Panel. The INCOM Control Panel, IFF Control Panel, VOR/ILS Control Panel, Audio Management Unit (AMU) and Oxygen Panels proposed for installation in HTT-40 Aircraft are functionally same as the Control Panels used in HJT-36 Aircraft. As part of HJT-36 Flight Simulator development, M/s. HALBIT Avionics Pvt. Ltd has developed the physical and functional replica of INCOM Control Panel, IFF Control Panel, VOR/ILS Control Panel, Audio Management Unit (AMU) and Oxygen Panels. As the actual control panels for both HJT-36 and HTT-40 Aircrafts are functionally same with respect to Simulator operation and the physical and functional replica of Aircraft Control Panels developed by M/s. HALBIT Avionics Pvt. Ltd for HJT-36 Simulator can be used in HTT-40 Simulators to have commonality in both HTT-40 and HJT-36 Aircrafts Simulators. Hence, it is proposed to procure the Replica Control Panels for HTT-40 Simulators on Single Tender Basis from M/s. HALBIT Avionics Pvt. Ltd.	Simulator for HTT-40
